

ANNOUNCEMENT:

LENGTHY TRIAL FEE RETURNS ON MAY 19

Effective May 19, 2014, the \$15 Lengthy Trial Fee is being reinstated. The fee was authorized by Arizona Revised Statute 12-115, but repealed on December 31, 2013 under the terms of the statute. The state legislature voted this session to reestablish this fee and the Supreme Court set the implementation date of May 19.

The Lengthy Trial Fund allows jurors to receive a portion of their lost pay when sitting on trials that go beyond five days.

Through the Arizona Code of Judicial Administration, the Supreme Court directs which filings are assessed the fee. For a list of filing fees, visit our website at clerkofcourt.maricopa.gov and select “Filing Fees.”
